Sarah & Matthias

Travelling by bicycle for 16 months

Kilometers: 16'000

List of Countries we travelled through:

- Germany
- Czech Republic
- Slovakia
- Hungary
- Romania
- Bulgaria
- Turkey (we travelled 2 months through this country, very hospitably people)
- Flight to New Zealand (cycled through North and South Island. For the way we travelled, with limited budget, this country was far too expensive.)
- Flight to Malaysia from where we cycled to:
 - Thailand
 - Cambodia
 - Laos
 - Vietnam (the only country which we did not like at all. Unfriendly people, food was not very good. Horrible traffic. Hooting all the time)
 - China (fascinating country. Gorgeous landscape, great food, and the most horrible toilets ever!)
